The National Forum for Black Public Administrators (NFBPA) is the principal and most progressive organization dedicated to the advancement of black public leadership in local and state governments. NFBPA is an independent, nonpartisan, 501(c)(3) nonprofit organization founded in 1983. With over 2,500 members, NFBPA has established a national reputation for designing and implementing quality leadership development initiatives of unparalleled success.

A Treasure Coast Florida Chapter of the National Forum for Black Public Administrators has recently been reestablished. This Chapter will be servicing Indian, Martin, Okeechobee, and St. Lucie Counties to include all municipalities, public and non-profit agencies. The value that NFBPA brings in development of black public leadership is invaluable. As one of the nation's premier organizations in leadership development, NFBPA's reputation is unparalleled and its successful initiatives to develop future black leaders to address the challenging times in our country and communities is commendable.

We would welcome you in becoming a sponsor of the Treasure Coast Florida Chapter of NFBPA. Your sponsorship will help the chapter to flourish and to take an active role in supporting our community. Here are some specific uses of your sponsorship dollars:

- Support mentorship programs for youth in our communities with an interest in Public Administration;
- Provide current professional development opportunities for TCF Chapter Members;
- Serve as a magnet organization for linking public, private and academic institutions into an effective network to support interdisciplinary communications, management innovation and professional development among Blacks choosing public service careers;
- Provide intensive and rigorous training in critical management areas in response to the specialized needs of Black public sector professionals;
- Identify and groom younger, emerging Black administrators and provide relevant exposure to the challenges and rewards of public service careers; and
- Sponsor and conduct national and regional forums that enable the discussion of timely issues and topical concerns that directly impact public management and the needs and concerns of the Black community.

Here is some additional GREAT NEWS! Since you are contributing to a 501(c)(3) organization, your sponsorship or donation is tax deductible. Attached is information on sponsoring our Chapter .
