CEO OF ONE CARING ADULT INC

**The Culture of Power – How Equity and Inclusion
Enhances Your Organization**

Crystal Morris, MS, CRTT-E, is the founder and CEO of One Caring Adult Inc in Port St Lucie, Florida. She uses her resilience-focused approach to helping organizations understand and mitigate the debilitating impacts of trauma by cultivating equitable and inclusive environments.

After earning her Bachelor of Arts in Psychology, with a minor in Criminal Justice and Sociology, Mrs. Morris began her professional career with the Florida Dependency Court System. There she saw firsthand the link between adverse childhood experiences, psychological and physiological health. Since then, Mrs. Morris has completed her Masters in Science in Counseling through Capella University and has served as an Educator in Miami Dade and St Lucie counties, Mental Health Counselor, and a Non-Profit Director in Florida's Treasure Coast. She is currently pursuing her Certified Professional Diversity Coach certification through the ICF.

A proud Jamaican American, Mrs. Morris celebrates everything that represents her cultural roots and is rooted in family. She incorporates anecdotes of her daughter Elle and sons Daniel and Caleb in every presentation.
